

**Anne-Marie Lennon, Staff Nurse, Ward 6B, Ulster Hospital**

**Q1: What is your experience of PACE?**

*I/we use PACE on a daily basis to record patient nursing care.*

**Q2: What difference has PACE made to the patient and you?**

*PACE allows me to systematically record the patients care and evaluation of same. It captures all essential elements of the patients assessed needs and care delivery and is now well known to all member of the nursing ream, ensuring clear communication and continuity of care.*

**Q3: What advice would you give to a ward commencing PACE?**

*PACE is a very efficient tool for recording patient care and easily adapted to.*
