ROLE OF CHIEF EXECUTIVE AND HEAD OF CORPORATE SERVICES

AUTHORISED USERS

To ensure good financial management and sound corporate governance only the Chief Executive and the Head of Corporate Services have been authorised to use a corporate card.

The Credit Card can only be used by the Chief Executive and the Head of Corporate Services after they have signed the Acceptance and Undertaking agreeing to abide by the Terms and Conditions of Use as detailed. A card will be terminated immediately the authorised holder ceases to have responsibilities that require it.

An up to date record of Authorised Users including date of issue/termination, card limit etc. will be maintained and held by the Corporate Services Manager.

The Authorised Users should familiarise themselves with the regulations for travel and subsistence and must ensure that the Credit Card is not used for transactions which are not appropriate.

LIMITS

The upper limit of the card determined by the Chief Executive, in consultation with the Audit and Risk Committee, will be £2,000.

The card **must not** be used for:

- withdrawing cash or obtaining foreign currency (a normal imprest may be applied for if necessary)
- any type of personal expenditure (even if intend to repay).

The card **may be** used for:

- accommodation bookings/payment and payment of travel costs (air, train taxi etc.) where it has not been possible to pre-book prior to departure
- payment for meals and hospitality subject to the amounts being in accordance with the relevant codes and other directions currently in force
- payment for goods and services in special circumstances

ROLE OF AUTHORISED USER

PAYMENT AUTHORISATION FORMS

As stated in the Acceptance and Undertaking it is the responsibility of the Authorised User to complete the Credit Card Payment Authorisation (CCPA) form and to have it approved retrospectively by the NIPEC Chair for the Chief Executive and the Chief Executive for the Head of Corporate Services. Any disputes regarding the Credit Card statements must be noted and relevant documents regarding the outcome of the dispute must be kept for audit purposes.

PAYMENT AND UPDATING ACCOUNTS

1. Each month a statement will be received from the Credit Card issuer detailing charges
2. This must be checked immediately upon receipt and associated with the CCPA form and copies of the relevant receipts or vouchers.
3. Where a receipt is not available, the Authorised User will be asked to provide verification of the transaction. A receipt should follow as soon as possible.
4. The Authorised User must ensure that any items appearing on the statement also appear on their normal CCPA form.
5. Any item appearing on the statement which is not recognised and would not have been authorised for payment by the Authorised User should be investigated immediately with the Credit Card company by the appropriate Authorised User.
6. The CCPA form must then be signed by the Authorised User and verified by:
 - (i) the Chair, Deputy Chair or nominated Council Member for the Chief Executive and
 - (ii) the Chief Executive, Chair, Deputy Chair or nominated Council Member for the Head of Corporate Services.
7. A copy of the CCPA form and the Credit Card statement must then be passed to the Corporate Services Manager (CSM), or in their absence the BSO Finance Shared Services officer nominated within the Service Level Agreement for checking and verification no more than 5 days from the date of receipt of the statement. The Corporate Services Manager will retain the vouchers in a secure location and forward the CCPA and credit card statement to the BSO Payment Control Shared Services for payment within 5 days of receipt of the documentation.
8. Should a dispute arise the CCPA form and Credit Card statement must still be signed and sent to BSO Payment Control Shared Services to facilitate the transfer of funds.
9. The balance on the statement must be cleared each month by the specified date to ensure that no interest charges are incurred.
10. In exceptional circumstances when a receipt was unable to be obtained, the NIPEC Chief Executive or Chair (as appropriate) will authorise that the expenditure was incurred on business related activity.

It is the responsibility of the Authorised User, to pursue any disputed items with the Credit Card issuer/vendor. As stated in the 'Acceptance and Undertaking' any expenditure for which supporting receipts/vouchers are not presented will become the liability of the Authorised User.

ROLE OF BSO FINANCE SHARED SERVICES

1. To guard against fraud it is essential that the BSO Finance Shared Services, who provide NIPEC financial payment services under a Service Level Agreement, maintain strict financial control of credit card usage and implement procedures to ensure that a full reconciliation of all transactions is completed each month.
2. Immediately upon receipt of the CCPA forms and the Credit Card statements, an independent officer must check and verify that the expenditure incurred complies with the terms and conditions for usage and also with the relevant codes and any other directions for payment of travel and/or subsistence in operation. This may include liaison with the service supplier and/or NIPEC Authorised User to confirm details of particular transactions.
3. If, during the check, any discrepancies are found they should be referred back to the NIPEC Authorised User via the officer who authorised the payment. Payment should not, however, be delayed.
4. To ensure no interest charges are incurred, payment of the balance on the credit card statement should not be delayed pending outcome of the investigation of any discrepancy.
5. BSO Finance Shared Services will also be responsible for:
 - Training of Corporate Services Manager responsible for authorisation or verification of forms
 - Maintaining/updating procedures.
6. BSO Finance Shared Services will be expected to have procedures in place to deal with the following:
 - Where a possible fraud investigation is thought necessary.
