

Delivering Excellence: Supporting Recovery

*A Professional Framework for Mental Health Nursing
in Northern Ireland 2011 – 2016 (DHSSPS, 2010)*

REGIONAL IMPLEMENTATION GROUP

TERMS OF REFERENCE

1. Ensure a robust and formal process is in place to oversee the implementation and monitoring of progress against the recommendations outlined in Delivering Excellence Supporting Recovery.
2. Co-ordinate agreed workstreams at a local/regional level to support the progression and delivery of the recommendations outlined in Delivering Excellence Supporting Recovery.
3. Ensure an effective communication plan is in place that keeps local/regional stakeholders informed of the group's work/progress.
4. Advise the DHSSPS, on an annual basis, of the progress being achieved by lead organisations against the recommendations outlined in Delivering Excellence Supporting Recovery.
5. Profile and value the contribution of mental health nursing.
6. Share knowledge, expertise, service development and innovation.
