

Recording Care: Evidencing Safe and Effective Care Facilitators Meeting

Wednesday 31st October 2018 10:30-12:30 NIPEC, Belfast

In Attendance:

Penny Moore	Chairperson, Lead Nurse	WHSCT	PM
Audrey Dowd	Facilitator	BHSCT	AD
Dawn Mackin	Governance Co-ordinator	SHSCT	DM
Julie-Anne McKeown	Nursing Development Lead	BHSCT	JM
Michelle Burke	Governance Facilitator	SEHSCT	MB
Helen McClurg	Facilitator	NHSCT	HM
Margaret Kyle	Facilitator	NHSCT	MK
Lorraine Bell	Facilitator	BHSCT	LB
Jackie Rafferty	Nursing Development Lead	BHSCT	JR
Vanessa Eastwick	Facilitator	WHSCT	٧E
Ruth Millar	Facilitator		RM
Jane Patterson	Facilitator	SEHSCT	JP
Vi Gray (Teleconference)	Facilitator	WHSCT	VG

Apologies:

Angela Reed	Senior Professional Officer	NIPEC	AR
Sharon Moffett	Facilitator	BHSCT	SM

Agenda Item	Notes	Action
1	Welcome and apologies	
	PM welcomed and thanked everyone for attending.	
2	Notes of previous meeting	
	August and 26 th September Action Notes were accepted.	
	Ruth Millar and Jackie Rafferty are to be added to the circulation list from here on in.	PM
3	Matters Arising:	
	Adult Record	
	From the Working Group – continuation booklets in non-PACE forma.	
	Query whether there is a PACE-format version in draft format.	A.D.
		AR
	Facilitators to scope areas for printed care plans, handwritten care plans or a	
	mixture of both in non-PACE wards to inform whether there is a need for a non-PACE continuation booklet. AR to write to the AD in each Trust. Clarification of timeframe for scoping to be agreed (possibly before	All/AR
	Christmas).	

Implementation of new booklet – Regional guidance and presentation to be developed when NIPEC have capacity.

Suggestions for method of rollout by each trust:

	•
SE	Rolling awareness sessions
N	Query rollout with PACE (Staff challenges noted)
В	Incorporate into the mandatory training
S	Train the trainers
W	Rolling awareness sessions
Kingsbridge	no issues foreseen

Children's and ED Facilitators

SE	ED – Record being used, SQE Project to embed PACE
	Children's – SQE Project on Recording Care. The
	Clinical Educators are working with ED
N	ED Antrim Pacard rolled out the further undate
IN	ED Antrim - Record rolled out – no further update
В	ED RVH – document being used
	ED Mater – Not sure at present
	Children's – ENT Conference – Ward 31 RVH
	(Children's ED inserted PACE into their care pathway
	and prompts on their evaluation sheet)
	, ,
S	ED Daisy Hill – Clinical Educator to refocus
	Children's Daisy Hill – PACE Training provided but
	using their own record
	Craigavon have also rolled out the ED Document.
W	ED Altnagelvin – Record and PACE have gone live
	together for all attendances
	ED, SWAH – PACE Champions attended awareness
	sessions with the aim of going live with the regional ED
	document in November 2018.
	Children's – Awareness sessions on PACE Record in
	Altnagelvin. South West Acute have a MDT approach
	and are developing a MDT insert for the record.
	Consent has been obtained from NIPEC Recording
	care group to make small changes to the regional Me
	and My Family booklet in order to conduct a pilot.
Kingsbridge	Focus on the Adult record

The practice standard for ED is that the hard copy of the record stays in ED or is scanned onto Symphony and a copy is sent to the wards for information.

MB advised the group that The Expert Reference Group for Children's will be re-established. There is a meeting at the end of November to look at a short-stay assessment record incorporating PACE and standards for Children's.

BHSCT audit system and NOAT

- There is an Excel worksheet with the Short NOAT indicators including the care-planning section from the new NOAT. - It is easier and quicker to use They are looking at gathering the data centrally within the trust This is an interim solution before they find a permanent solution – which has not been agreed as yet. - Half day workshop – January 2019 - 18th January 2019 – AM - Expectations of the group are: - Just for the PACE Facilitators - To standardise the approach to scale and spread, teaching and awareness practices To review the electronic resources on the NIPEC micro site - To have a contribution from the professional/legal aspect of care planning - It needs to be a full day to be effective - To look at the language used – in view of Encompass coming along - To look at the abbreviations - NOAT guidance needs to be development - Care Settings implementing PACE - Review and feedback to AR by 16th November, 2018 - All Any other business - Assessment of need - We need a standardised language - Retrospective means not on the same day/shift - Kingsbridge currently have hand-written care pathways and are in talks with Compucare re: IT system. - Consent - What does consent look like in practice? - Consent to plan care — what does this mean? - Recording of PACE - Guidance around using A and C together – flexibility of the Framework - Safeguarding and patients risk of prossure damage - There is a need for regional agreement in regards to recording care and managing all risk factors. Should the evidence based care bundles which are regionally agreed be included in the record? - NIRAQ Conference - SCE Project poster was presented - Trust Quality Events - W – 28th November, 2018 SQE Project poster will be presented - SEE – 30th November, 2018 SQE Project poster will be presented - SEE – 30th November, 2018 SQE Project poster will be presented - PACE Newsletter - All in agreement that it is a success - HCSW viring in the record - Guidance needs to be agreed - To take to Working Group: - What PACE awaren			
It is easier and quicker to use. They are looking at gathering the data centrally within the trust. This is an interim solution before they find a permanent solution — which has not been agreed as yet. Half day workshop — January 2019 18th January 2019 — AM Expectations of the group are: Just for the PACE Facilitators To standardise the approach to scale and spread, teaching and awareness practices. To treview the electronic resources on the NIPEC micro site To have a contribution from the professional/legal aspect of care planning It needs to be a full day to be effective To look at the abbreviations NOAT guidance needs to be development Care Settings implementing PACE Review and feedback to AR by 16th November, 2018 Any other business Assessment of need We need a standardised language Retrospective' means not on the same day/shift Kingsbridge currently have hand-written care pathways and are in talks with Compucare re: IT system. Consent What does consent look like in practice? Consent to plan care — what does this mean? Recording of PACE Guidance around using A and C together — flexibility of the Framework Safeguarding and patient's risk of pressure damage There is a need for regional agreement in regards to recording care and managing all risk factors. Should the evidence based care bundles which are regionally agreed be included in the record? NIRAQ Conference SCE Project poster was presented Trust Quality Events W — 28th November, 2018 SCE Project poster will be presented PACE Newsletter All in agreement that it is a success HCSW writing in the record Guidance needs to be agreed HCSW artisting in the record United the record Guidance needs to be agreed What PACE awareness students are receiving? We need to capture the lime to record as part of patient care
