

**Professional Induction for BAND 5 and Band 6 Nurses and Midwives
across the five HSC Trusts**

Meeting 17th February 2017

**Sub Group
Terms of Reference**

The sub-group are tasked to:

- Agree a regional **generic** professional induction programme detailing a) topic titles and b) each topic programme content.
- The topics and content should draw on local guidelines e.g. the requirement for BLS aligned to outputs of PHA work relating to the deteriorating patient.
- The subgroup should include expertise across all fields of practice including Adult, Mental Health and Learning Disabilities, Children's Midwifery, Nurses on Part 3 NMC register and a CEC representative.
