

Seamus Reid-Fox, Charge Nurse, Ward 6B, Ulster Hospital

Q1: What is your experience of PACE?

I have vested interest in PACE and have been involved since the beginning.

Q2: What difference has PACE made to the patient and you?

I feel its strongest asset is that it focuses on daily and realistic care planning.

Q3: What advice would you give to a ward commencing PACE?

I don't particularly like the person centred aspect as I feel it is stilted and forced e.g., "How are you today" can be patronising if not delivered well.
