

**Hannah Cartmill, Student Nurse, Ward C7, AAH**

**Q1: What is your experience of PACE?**

*First year nursing student. Working on C7, Medical Specialist Ward. 4<sup>th</sup> placement, 3<sup>rd</sup> hospital experience. Work with nurses and other member of the MD Team.*

**Q2: What difference has PACE made to the patient and you?**

*Generalised, possibly not as specific/personalised as it should have been. Wrote down everything which had been done for that patient and what had happened and any other important information or issues.*

**Q3: What advice would you give to a ward commencing PACE?**

*You:*

- *Takes a bit more thought/thinking*
- *Can take longer than before*
- *Need to assess and understand the needs of your patient*
- *Know patient better*
- *Sometimes more writing than previously.*

*Team:*

- *Know the needs of the patient and what has to be done to meet them*
- *More specific/to the point so potentially easier to see what the needs of the patient are/what is important to them*
- *Continually of care within team.*

*Patient:*

- *Their needs are easily identified and shown*
- *Continuity of care provided to them*
- *(more) individualised and person centred.*
