

This log is used to record and track NIPEC Corporate Risks for 2020-2021

Risks are things that may or may not happen in the future that could have an effect on the organisation's success. This log includes all risks identified, including those that have passed and are no longer a threat, those that have been prevented or mitigated, and those that have become closed. As this is a permanent record of NIPEC's risks, no risk information is deleted from this log:

Business Objective: Governance & Performance	NIPEC fails to achieve the required financial year-end target. This would result in the organisation being in breach of its Revenue Resource Limit (RRL).	CE and HCS	1 st April 2020	13 th January 2021	Business Objective: Governance & Performance NIPEC would not meet the financial target of containing net expenditure within the DoH target set for an HSC organisation i.e. 0.25% or £20k. This would impact on NIPEC's ability to show good public governance and would be recorded in the external Auditor's annual report which goes to NI Audit office.	3 (Moderate)	2 (Unlikely)	6 (M)	March 2020: An opening RRL letter dated 27 March 2020 indicated an initial RRL allocation which requires NIPEC to absorb a 1% pay award within 2020-21. May 2020: Budget build for 2020-21 highlights pressures inc. 3.04% uplift in BSO SLA costs for 2020-21. June 2020: Month 2 FMR submitted to	NIPEC will monitor expenditure on a monthly basis and highlight any budget pressures/surplus es in the monthly FMR to DoH FMU. Monthly Budget review meetings with BSO Finance. Monitored monthly at Business Team meetings and one to one meetings between CE and HCS.	Open Risk is currently being managed on an ongoing basis.			

		DoH showed a deficit of £21k due to awaiting TRF allocation. Spend of £83k TRF against Core budget pending the allocation, NIPEC'S core spend against opening allocation showed a surplus of £62k. July 2020: NIPEC 02 letter confirming TRF allocation for FNFM to 30 Sept 2020.
		August 2020: Bid submitted by Sponsor Branch for extended FNFM funding to 31 March 2021.
		October 2020: Month 6 FMR showed an in- year surplus. HoCs to complete mid- year review of budget with BSO Finance to project yearend
		November 2021: CE / HoCs proposed retraction of funds with Sponsor Branch and formally requested to DoH Finance on
		13 th November 2020. Revised allocation letter received 13 th January 2021.

Business Objective: Governance & Performance	Unable to fully achieve its business objectives as stated in the revised 'NIPEC Business Plan 2020-21'	Senior Management Team	1st April 2020	13 th January 2021	Business Objective: Governance & Performance Due to the Covid-19 emergency NIPECs stakeholders cannot engage in the majority of professional business plan objectives. The organisation is refocusing core business on the regional COVID response and the redeployment of some professional staff time to this work. These along with Home working could result in the organisation being unable to fully achieve its business objectives & may require a review of the plan and/or the development of new business objectives.		3 (Possible)	9 (M)	March 2020: Covid-19 Emergency SOPs drafted and shared with staff. Twice weekly SITREP meetings for Business Team to monitor work. May 2020: Review of the requirement for weekly SITREP meetings. June 2020: A Covid-19 work plan along with a core work plan was presented to NIPEC Council meeting on 24 th and shared with DoH sponsor branch.	Ongoing liaison with NIPEC Chair. Monitoring of situation at monthly BTM meetings and quarterly Council and A&R committees. Regular updates to sponsor branch. Initiation of monthly SB meetings with HoCS until a return to 'business as usual.' Progress updates at senior team one to one meetings with CE	Open Risk is currently being managed on an ongoing basis.

Governance financial f	ne required unding to remaining tation of	CE and HCS	27 April 2020	6th November 2020	Business Objective Governance & Performance - 5D NIPEC would not have the resources in its Core budget to support DoH to implement the new NMC education standards. If NIPEC continued the FNFM project without additional funding the organisation would likely breach the financial target of containing net expenditure within the DoH target of 0.25% or £20k. This would impact on NIPEC's ability to show good public governance and would be recorded in the external Auditor's annual report which goes to the NI Audit office.	4 (Major)	3 (Likely)	12 (H)	August 2020: Bid for funds to continue the core project support to 31st March 2021 submitted via Sponsor Branch. Business Objective Governance & Performance	NIPEC fails to meet the legislative requirements of Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018. This could result in the organisation being in breach of these regulations and subject to investigation by Government Digital Service (GDS). Could also result in the organisation being in breach of the Disability Discrimination Act 1995 and subject to investigation by ECNI.	CE and Senior Management Team	29 th July 2020	13 th January 2021	Business Objective Governance & Performance - 5D NIPEC would not meet its legislative obligations within the Accessibility Regulations and Disability Discrimination Act. This could impact on NIPEC's ability to show good public governance. This could also lead to possible investigation and legal action by ECNI. The resource required to carry out an audit and undertake remedial action as a result of findings is currently not known.	3 (Moderate)	5 (Almost Certain)	15 (H)	October 2021: Aurion to complete remedial works from initial audit of 2 sites w/c 5 th October and report outcome to NIPEC.
